

Post- Covid Infrastructure Boom! Managed Civil Business For Sale - Multiple Income Streams!

POST-COVID INFRASTRUCTURE BOOM! Two Businesses in One!

About the Business:

- **Trenchless Technology - Pipe Bursting - and Vacuum Excavation.** The expansion of this **Multi-Discipline Civil Business for sale** has been driven by its employees' technology and its commitment to becoming an industry solutions provider.
- A specialist in underground infrastructure **Pipeline Rehabilitation and Vacuum Excavation** using non-destructive digging (NDD) techniques. This group provides their clients end-to-end solutions, combined with the extraordinary culture that has made it unique within the civil construction industry.
- **The Complete Package - Underground!** By integrating their experience and resources they provide their clients with a total package solution for all their clients' pipeline replacement and utility excavation infrastructure needs.
- Whether it be water-mains, sewer replacement, major up-sizing of existing pipe diameter, liquid waste removal or even vacuum excavations for safe utilities exposure - then this group has it all covered.
- Their blue-chip client list is impressive, including many major Water Utility entities, local municipalities, and civil construction companies in Australia.
- The head office is based in Queensland and its self-managed operational base is in Canberra they service projects throughout the Eastern States of Australia.
- **Government Policy** Major funding for underground infrastructure upgrades, development and renewal to support urban regeneration and growth is recognised as fundamental

government policy at both the State and Federal levels, therefore, businesses that service these sectors are assured of a buoyant future income for many years to come.

- **There's Never Been a Better Time** With a growing order book and a bright future ahead for the infrastructure development sector, there's no better time than now to be acquiring an established, high performing business that delivers.
- Establish over 20 years, with experienced long serving employees, this business has invested heavily into creating a culture that drives its success.
- Employees have an "exceptional, not acceptable, workmanship" mentality at the coalface.
- In addition there is a large inventory of specialised Pipe-Bursting plant and equipment as-well-as several modern Vacuum Excavation trucks that complement the group's tangible assets - and it's highly profitable.
- **This fully managed business generates impressive EBITDA year in year out.**

Key considerations:

- Established over 20 years - Australian Owned
- Two businesses in one
- High profile clients include blue-chip and local government clients
- General Manager heading up the business
- Full Turnkey project management
- Experienced Pipe-Bursting and Vacuum excavation crews and staff
- The operation is not reliant on the owner's input
- Highly profitable
- Great newer equipment
- Demonstrated growth
- Revenue and profit achieved from minimal marketing
- Further significant growth potential
- Flexible in its services
- Owner is willing to assist with new owner transition
- Recently secured further 5 Year contract for approx \$18 million

This opportunity represents a smart strategic acquisition and is not one to be missed.

PRICE : \$6,599,000 WIWO
