

Trophy RTO for Sale

Rarely is there an RTO for sale like this one. In an industry in which many players often maintain a low profile in unwelcoming, back street premises, this one proudly stands out.

That's because it occupies a high profile, architecturally-designed, glass and steel space in one of Queensland's biggest and busiest regional shopping centres.

A trophy worth having...

This RTO is a market leader. With a hospitality-oriented scope, it dominates in the training of chefs in South East Queensland. It has built strong relationships with most of the larger hotels on the Gold Coast and now trains 65% of all apprentice chefs in the region.

Being a provider to the hospitality sector, it receives significant funding from the Queensland state government. And because of the importance of the tourism industry to the state, such funding is set to continue well into the future irrespective of which party is in government.

Unlike many qualifications offered by RTO's, those who gain qualifications from this one are job ready. In fact, most of them are already in employment. Which is exactly how the Department of Education likes it. What this means for a new owner is that future income is assured.

And, it's being offered under management. Which makes it an ideal

Price	\$1,600,000
Property Type	business

investment. There's no need for a new owner to be involved in the day-to-day management of the RTO. In fact, there's no need for them to have any experience in the industry at all.

Everything's in place The business is trading profitably and there's a regular flow of new trainees and apprentices. And the associated Cookery School, which adds to the profile of the business, is also adding to the bottom line.

There's nothing quite like it.

No other RTO can boast such state-of-the-art kitchens. And any five star hotel would be envious of its private dining room. This RTO for sale really is a trophy investment.

FOR SALE: \$1,600,000
