New Tax Depreciation Business for Sale

Always wanted your own business but couldn't afford it? Then this opportunity is for you. The franchisor has done all the ground work. Now you can market this unique service.

By purchasing a franchise now, you'll get in early and be able to choose the territory you want. You'll be marketing to residential property investors or their professional advisers. Save your customers money All residential property investors need assistance determining the tax depreciation they can rightfully claim. And up to 50% of them don't claim enough! So, when you purchase a franchise that meets this demand, you'll be saving your new customers money. It's a service that will sell itself because who doesn't want to save money? You don't need to be an accountant a bookkeeper or a quantity surveyor. The number crunching will be done by Head Office. All the better if you're interested in property. But no experience is required. You do need to be motivated, outgoing, likeable and confident. Someone keen to succeed. Because you'll be out and about, meeting the professional advisers who assist individuals into residential property investments. But they can't provide the expertise to ensure they maximise their clients' tax depreciation entitlements. That's where you become essential. You'll learn how to conduct a property assessment then send all the information to Head Office. And back will come an ATO-compliant Tax
